

The Quarterdeck – Temporary Access Arrangements

Dear Tenants,

Please be advised that contractors will be carrying out works across the main entrance to The Quarterdeck. The works are expected to take place over **two days**, although the exact dates have yet to be confirmed.

During this period, the main entrance will need to be closed temporarily, and all tenants and visitors will need to use the rear gates via the Premier Marinas car park.

Access and exit instructions

Entering the car park

- On arrival, take a ticket from the entry barrier to access the Premier Marinas car park.
- Follow the usual route to the rear gates to access The Quarterdeck.

Leaving the car park

- On exit, press the **Help** button at the barrier.
- Explain that you are a tenant or visitor to The Quarterdeck.
- The barrier will then be opened for you to exit free of charge.

Please note that these arrangements will apply throughout both days of the works, and we ask all tenants to ensure their visitors are aware of the temporary access arrangements. We apologise for any inconvenience this may cause and appreciate your patience and cooperation while these essential works are carried out. We will confirm the dates as soon as they have been agreed.

Kind regards,

Jonathan Walcroft
